Respected Sir,

We the employees of the Press that were remunerated according to latest G.O. beg to submit that in paying us a subsistence allowance of 25% for the month of Oct. Nov. As the allowance forms part of the pay, we request you will be pleased to order the payment of the allowance for the periods.

Though the Govt. have been pleased grant us an advance of 15 days pay, and although we pray that you will kindly order us to grant more 15 days pay in addition to the G.O. (i.e. one months pay in advance) and kindly order its payment to us early, as the tance allowance even to us has not been sufficient even to repay the debts the contracted during the months of Oct. SIR,

With reference to your letter No.G.170-27/P&S-20-5, dated the 3rd instant, I have the honor to state that formerly the Press was working for seven hours a day, i.e., from 11 a.m. to 6 p.m. but ever since the return of the strikers on 9th February last, it is working in two shifts of six hours duration each i.e., twelve hours a day, ie., from 7 a.m. to 7 p.m. It is not therefore possible to arrange for working overtime for two hours more. Moreover, as the men who have taken the advance and those who have not done so are now intermingled, it is therefore difficult to separate only those who have taken the advance and arrange for a shift solely to such men.

Under these circumstances, two alternatives suggest themselves to me as being suitable for adoption for the recovery of the money. Such men may either be asked to work on sundays and holidays for a period of six hours each day free of charges, in recoupment of the advance, or a small sum may be recovered from each man's pay every month, whichever course is acceptable to the men themselves. If the Government approve of these proposals, the men will be

be consulted as to which course they could prefer and the orders of Government will be given effect to.

I have the honor to be
